

# How do I reset my password?

From the Pavaso website, you can reset your password using the following steps:

1. In the left *Sign In* section, click on the "Forgot Password?" link.

Below the subtitle are two input fields: "\* Email" and "\* Password". There is a "Sign In" button, a "Remember me" checkbox, and a "Forgot password?" link. The "Forgot password?" link is circled in orange with a mouse cursor pointing to it.

2. Enter the email you use to login to your Pavaso account and click on the "Reset password" button.

Just enter your email address and we'll send you a new temporary password." There is an "Email Address" input field containing "pavasouser@mailinator.cc". At the bottom, there are two buttons: "Cancel" and "Reset password". The "Reset password" button is circled in orange with a mouse cursor pointing to it.

3. Once you receive the Request for New Password email, click on the "Reset Password" link, and you will be directed to the Pavaso Sign In, where you will be able to create a new password.

The main body of the email says: "You recently requested a password reset for your Pavaso account. Click on the following link to reset your password now:". Below this text is a blue "Reset Password" link, which is circled in orange with a mouse cursor pointing to it. At the bottom, there is a note: "If you did not submit this request, please contact [support@pavaso.com](mailto:support@pavaso.com), or ignore this request." and the signature "Your Pavaso Team".
